Services will include exams, x-rays, prophylaxes, and sealants.	These services are provided at Williamsport Area Middle School, located at 2800 West Fourth Street, Williamsport, PA 17701. RVH&DC is designated a room to perform these services.
Health Fairs	SCH&DC takes part in indoor and outdoor health fairs and/or community events throughout the year as invited.	SCH&DC provides community health education, blood pressure screenings, blood glucose, and oral health screenings at these events.	Community events and locations including, but not limited to schools, fire halls, parks, shelters, and senior centers.
Portable Clinical Care	SCH&DC does not have a formal frequency of activity for this unit, however anticipates that it will be used at a minimum of 2-3 times per month.	SCH&DC acquired a mobile testing unit that will be utilized to provide testing to patients throughout the Lycoming County Service Area. SCH&DC plans to provide testing such as COVID-19, antibody, Flu, Strep, and A1C testing just to name a few.	SCH&DC plans to utilize this unit to take the care to the patient. We intend to have the unit throughout the service area at places such as community centers, churches, food banks, etc. to be able to serve the patients in their community, eliminating the transportation barrier to care.
Immunizations	COVID-19 vaccines will be given at this location Monday-Friday from 8am-4pm on a temporary basis.	Administration of COVID-19 vaccines.	Organization's administrative space--large community (conference) room at 431 Hepburn Street, Williamsport, PA 17701.
Portable Clinical Care	This will be a one-time basis.	Restorative Dental Care	Personal Care Home
