## HRSA Electronic Handbooks (EHBs) Registration Requirements

The Project Director of the grant (listed on this NoA) and the Authorizing Official of the grantee organization are required to register (if not already registered) within HRSA's Electronic Handbooks (EHBs). Registration within HRSA EHBs is required only once for each user for each organization they represent. To complete the registration quickly and efficiently we recommend that you note the 10-digit grant number from box 4b of this NoA. After you have completed the initial registration steps (i.e., created an individual account and associated it with the correct grantee organization record), be sure to add this grant to your portfolio. This registration in HRSA EHBs is required for submission of noncompeting continuation applications. In addition, you can also use HRSA EHBs to perform other activities such as updating addresses, updating email addresses and submitting certain deliverables electronically. Visit <https://grants3.hrsa.gov/2010/WebEPSExternal/Interface/common/accesscontrol/login.aspx> to use the system. Additional help is available online and/or from the HRSA Call Center at 877-Go4-HRSA/877-464-4772.

## Terms and Conditions

Failure to comply with the remarks, terms, conditions, or reporting requirements may result in a draw down restriction being placed on your Payment Management System account or denial of future funding.

### Program Specific Condition(s)

**1. Due Date: Within 120 Days of Budget Start Date**

(192360-03)

The award recipient must consult with the HRSA Project Officer and environmental reviewer to determine if other environmental compliance reviews are required for the proposed project. Additional information will be provided within 120 days of the Project Period Start Date to identify the extent of the information that will be needed for this specific project. This information may include an Environmental Assessment (EA) under NEPA, consultation under Section 106 of the National Historic Preservation Act with the State Historic Preservation Officer (SHPO) / Tribal Historic Preservation Officer (THPO) (and any other consulting parties if identified), a hazardous materials survey, Coastal Zone Consistency Determination, Floodplain Management, Environmental Justice, etc. The documentation must be completed and submitted to HRSA for review and approval. This condition must be approved and lifted from the Notice of Award prior to initiating any physical site preparation, demolition, alteration and renovation, or construction related to the project. Funds may only be drawn down for pre-construction activities, such as the purchase of moveable equipment, completion of architectural and engineering plans, licensing and permitting requirements, State Historic Preservation Office/Tribal Historic Preservation Office consultation, and preparation of the EA or related testing and surveys. Additional information is available at: <https://bphc.hrsa.gov/about/nepa-nhpa/capital-development.html>

**2. Due Date: Within 60 Days of Budget Start Date**

(192360-03) Property Documentation is Required. Within 60 days of Project Period Start Date, the award recipient must submit documentation (deeds, titles, local land records, etc.) describing ownership of the property.

**3. Due Date: Within 60 Days of Budget Start Date**

(192360-03) Within 60 days of the Project Period Start Date, the award recipient must submit schematic drawings including floor plan(s) and, if applicable to the project, a site plan that provide clear and complete information on the project into HRSA's Electronic Handbook to support the requested funding amount for this project. Floor plans/site plans must be drawn to scale including proposed exam rooms, waiting area, etc. Documents must include rough dimensions for major project components. Drawings should clearly identify the project components that are being proposed, as well as distinguishing improved space from unaffected space. Contact the assigned Project Officer for additional information.

**4. Due Date: 07/31/2024**

This Notice of Award (NoA) reflects approval of a change in scope to the following:

Add Site:

Muncy Health Center

Site Address: 151 John Brady Dr, Muncy, Pennsylvania, 17756-8401:

This change in scope is not yet effective; within 30 days from the end of the project period, you must submit an electronic deliverable verifying the proposed action consistent with the description provided within the application.

### Grant Specific Term(s)

- On September 15, 2010, the United States Department of Justice published revised Americans with Disabilities Act (ADA) regulations in the Federal Register that update and amend some of the provisions in the original 1991 ADA regulations (see <http://www.ada.gov/>). These changes include revised accessibility standards, called the 2010 Standards for Accessible Design (2010 Standards), which establish minimum criteria for accessibility in design and construction ([http://www.ada.gov/2010ADASTandards\\_index.htm](http://www.ada.gov/2010ADASTandards_index.htm)).
- Pursuant to existing law, and consistent with Executive Order 13535 (75 FR 15599), health centers are prohibited from using Federal funds to provide abortion services (except in cases of rape or incest, or when the life of the woman would be endangered).
- This Notice of Award (NoA) is issued to inform your organization that the application submitted through the Health Center Construction and

Capital Improvements (ARP-Capital) funding opportunity (HRSA-21-114) has been selected for funding. This funding opportunity is authorized by Section 2601 of the American Rescue Plan Act of 2021 (P.L. 117-2) and section 330 of the Public Health Service Act (42 U.S.C. 254b), and is to support construction, expansion, alteration, renovation, and other capital improvements to modify, enhance, and expand health care infrastructure.

4. The award recipient must submit an annual Federal Financial Report with expense date for each consecutive twelve (12) month budget period. This report is submitted through the Payment Management System (PMS).
5. Each budget has a Federal Percentage Share based upon the award amount and the total allowable costs. Grant funds can only be drawn down from the Payment Management System (PMS) as allowable costs are incurred. Unless otherwise authorized, draw down should be done in the same proportion as the grant is to total project costs in the approved budget. For example, for a project with a total allowable cost of \$100,000, and a federal contribution of \$75,000, the federal share is 75 percent. If \$100 in allowable costs are incurred, then \$75 of grant funds would be drawn down from PMS to pay this incurred cost, while the other \$25 will be paid by other sources of funds. The draw down percentage may be re-evaluated based on any modifications to the project that have been received from the grantee and approved by HRSA.
6. Applicants that are NOT required to file a Notice of Federal Interest, still acknowledge with the receipt of the Notice of Award that the Federal interest exists in real property and equipment and will be maintained in accordance with 45 CFR Part 75 UNIFORM ADMINISTRATIVE REQUIREMENTS FOR AWARDS AND SUBAWARDS TO INSTITUTIONS OF HIGHER EDUCATION, HOSPITALS, OTHER NONPROFIT ORGANIZATIONS, or 45 CFR Part 75 UNIFORM ADMINISTRATIVE REQUIREMENTS FOR GRANTS AND COOPERATIVE AGREEMENTS TO STATE AND LOCAL GOVERNMENTS, as applicable. The recipient shall maintain adequate documentation to track and protect the Federal Interest. For real property, adequate documentation will also include communications between the lessor and the lessee related to protecting such interest, in accordance with the standard award terms and conditions. Such documentation should be available for subsequent review by HRSA.
7. As required by the Federal Funding Accountability and Transparency Act of 2006 (Pub. L. 109-282), as amended by section 6202 of Public Law 110-252, recipients must report information for each subaward of \$30,000 or more in Federal funds and executive total compensation, as outlined in Appendix A to 2 CFR Part 170. You are required to submit this information to the FFATA Subaward Reporting System (FSRS) at <https://www.fsrs.gov/> by the end of the month following the month in which you awarded any subaward. The FFATA reporting requirements apply for the duration of the project period and so include all subsequent award actions to aforementioned HRSA grants and cooperative agreement awards (e.g., Type 2 (competing continuation), Type 5 (non-competing continuation), etc.). Subawards to individuals are exempt from these requirements. For more information, visit: <https://www.hrsa.gov/grants/ffata.html>.
8. The preferred method for accomplishing construction development is by soliciting for competitive bids and then selecting the lowest responsive and responsible bid (where the contractor has adequately responded to the terms, conditions, and specification of the bid and has the capability to satisfactorily perform the contract). However, some award recipients may wish to accomplish construction using their own work force (force account). The award recipient must justify the use of force account by demonstrating that it would be more cost effective and that qualified personnel are available to accomplish the work. Consultation with the Project Officer is needed to determine if force account labor will be permitted.
9. If a Notice of Federal Interest (NFI) is required, HRSA's Federal interest is subordinate to all pre-existing mortgages or obligations recorded against the property. HRSA's Federal interest is also subordinate to loans and obligations identified in the application as sources of financing for the project. Future modifications and new mortgages and obligations will require prior approval.
10. Pre-award costs such as architect's and consultant's fees necessary to the planning and design of the project may be considered for funding as long as they are included in the application, are allowable costs, and were not incurred prior to January 31, 2020. It should be noted that such pre-award costs are undertaken at the applicant's risk and require prior approval. Consultation with the Project Officer is needed to determine if such costs will be permitted.
11. All post-award requests, such as significant budget revisions or a change in scope, must be submitted as a Prior Approval action via the Electronic Handbooks (EHBs) and approved by HRSA prior to implementation. Grantees under "Expanded Authority," as noted in the Remarks section of the Notice of Award, have different prior approval requirements. See "Prior-Approval Requirements" in the DHHS Grants Policy Statement: <http://www.hrsa.gov/grants/hhsgrantspolicy.pdf>
12. The award recipient does not have expanded authority under this program. Items that require prior approval from the awarding office as indicated in 45 CFR Part 75. HRSA has not waived cost-related or administrative prior approvals for recipients unless specifically stated on this Notice of Award] or 45 CFR Part 75, or the HHS Grants Policy Statement Prior-Approval Requirements, must be submitted in through the Electronic Handbook. Only responses to prior approval requests signed by the GMO and authorized under a Notice of Award are considered valid. Award recipients who take action on the basis of responses from other officials do so at their own risk. Such responses will not be considered binding by or upon the HRSA.

HRSA requires award recipients to seek prior approval through the Electronic Handbook for: (a) all pre-award costs, (b) rebudgeting of

funds between construction and nonconstruction work; (c) rebudgeting of project costs exceeding 25 percent of the total approved budget (inclusive of direct and indirect costs and Federal funds and required matching or cost sharing) for that budget period; (d) changes in project scope, which occurs when the recipient proposes to change (or changes) the objectives, aims, or purposes identified in the approved application, including changing location, changing the approved design under a construction grant, eliminating a primary care delivery site, or making budget changes that cause a project to change substantially from that which was approved. Approval of a prior approval request may be conditioned by new terms and conditions that must be met and lifted from the Notice of Award prior to implementing work.

13. An award recipient may acquire a variety of commercially available goods or services in connection with a grant-supported project or program. Award recipients may use their own procurement procedures that reflect applicable state and local laws and regulations, as long as those procedures conform to the following applicable U.S. Department of Health and Human Services (HHS) regulations: HHS regulations at 45 Code of Federal Regulations (CFR) 75 UNIFORM ADMINISTRATIVE REQUIREMENTS, COST PRINCIPLES, AND AUDIT REQUIREMENTS FOR HHS AWARDS. States must follow the requirements at Title 45 CFR 75. Generally, States must follow the same policies and procedures they use for procurements from non-Federal funds. Local and Tribal governments must follow the requirements at 45 CFR 75.
14. The award recipient will submit a Quarterly Progress Report for the approved project(s) into the HRSA Electronic Handbook (EHB) every three months until the project is completed.
15. Funds in this award are restricted and may not be drawn down until all program- and grant-specific conditions of the award have been met and lifted from the Notice of Award. The only exceptions to this restriction on drawdown are for limited pre-construction activities related to meeting one of these conditions, such as expenses for completing architectural and engineering plans, meeting licensing and permitting requirements, historic preservation consultation with the State Historic Preservation Office/Tribal Historic Preservation Office, and/or preparing the Environmental Assessment.
16. Although this NoA approves funds for the project(s) identified in the submitted application, HRSA may take action to withdraw the approval and funds for the project(s) if subsequent events lead HRSA to conclude that a project as originally proposed is ineligible or cannot be completed. Subsequent events could include, but are not limited to, non-compliance with the implementation of the project (such as excessive drawdown, improper procurement, conflicts of interests, etc.), significant changes to the location or physical scope of the project without prior approval, or the identification of previously undocumented environmental or historic preservation issues that lead the HRSA to conclude that the proposed project cannot be carried out consistent with the eligibility and program requirements. If this occurs, please contact the assigned Project Officer to discuss.
17. The funds for this award are in a sub-account in the Payment Management System (PMS). This type of account allows recipients to specifically identify the individual grant for which they are drawing funds and will assist HRSA in monitoring the award. Access to the PMS account number is provided to individuals at the organization who have permissions established within PMS. The PMS sub-account code can be found on the HRSA specific section of the NoA (Accounting Classification Codes). Both the PMS account number and sub-account code are needed when requesting grant funds. **Please note that for new and competing continuation awards issued after 10/1/2020, the sub-account code will be the document number.**  
You may use your existing PMS username and password to check your organizations' account access. If you do not have access, complete a PMS Access Form (PMS/FFR Form) found at: <https://pms.psc.gov/grant-recipients/access-newuser.html>. If you have any questions about accessing PMS, contact the PMS Liaison Accountant as identified at: <https://pms.psc.gov/find-pms-liaison-accountant.html>.
18. New and/or improved space resulting from the funded project(s), may only be used for purposes consistent with Section 330 of the Public Health Service (PHS) Act (42 U.S.C. §254b). Use of improved space for other purposes inconsistent with the Health Center Program requires prior approval.
19. The availability of the ARP-Capital (C8E) funds for use through the 3-year period of performance is dependent on your continued status as a current Health Center Program (H80) award recipient.

## Standard Term(s)

1. Your organization must comply with all HRSA [Standard Terms](#) unless otherwise specified on your Notice of Award.

## Reporting Requirement(s)

1. **Due Date: Within 90 Days of Project End Date**  
(192360-03) Within 90 days of project completion, the award recipient must submit into HRSA's Electronic Handbook a final SF-424C budget page, budget justification, and equipment list (if applicable), with detailed line-item identification of both Federal and non-Federal (if applicable) funds, for the completed project.
2. **Due Date: Within 90 Days of Project End Date**  
(192360-03) Within 90 days of project completion, the award recipient must scan and upload photographs, with brief descriptions, of the

project prior to initiating work, during renovation/construction, and of the completed project, including exterior shots (front, rear of building), major rooms and examples of grant provided major equipment items, into the EHB for the approved project.

**3. Due Date: Within 90 Days of Project End Date**

(192360-03)

Within 90 days of project completion, the award recipient will submit documentation for the approved project certifying that the project have been completed in accordance with the previously provided certified documents and in accordance with all mandatory requirements imposed on federally-assisted projects by specific laws enacted by Congress, Presidential Executive Orders, or Departmental Policy, as well as all applicable program standards, State codes, and local codes and ordinances. Be certain to use the Project Completion Certificate template provided at <https://bphc.hrsa.gov/program-opportunities/funding-opportunities/capital-development> when completing this requirement.

**4. Due Date: Within 90 Days of Award Release Date**

(192360-03)

It is expected that the award recipient will engage the services of an architect/engineer (A/E) to develop the pertinent construction documents as well as to administer the construction phase of the project(s). Accordingly, the award recipient will submit a statement attesting to the involvement of the A/E in the approved project. If the established deadline is not feasible, contact your Project Officer to request an extension. Be certain to use the Project Implementation Certificate template provided at <https://bphc.hrsa.gov/program-opportunities/funding-opportunities/capital-development> when completing this requirement.

**5. Due Date: Annually (Budget Period) Beginning: Budget Start Date Ending: Budget End Date, due Quarter End Date after 90 days of reporting period.**

The recipient must submit an annual Federal Financial Report (FFR). The report should reflect cumulative reporting within the project period of the document number. **Effective October 1, 2020, all FFRs will be submitted through the Payment Management System (PMS).** Technical questions regarding the FFR, including system access should be directed to the PMS Help Desk by submitting a ticket through the self-service web portal ([PMS Self-Service Web Portal](#)), or calling 877-614-5533.

The FFR will be due 90, 120, or 150 days after the budget period end date. Please refer to the chart below for the specific due date for your FFR.

- Budget Period ends August – October: FFR due January 30
- Budget Period ends November – January: FFR due April 30
- Budget Period ends February – April: FFR due July 30
- Budget Period ends May – July: FFR due October 30

**Failure to comply with these reporting requirements will result in deferral or additional restrictions of future funding decisions.**

## Contacts

### NoA Email Address(es):

Name	Role	Email
Jacqueline L. Oliva	Program Director, Point of Contact, Authorizing Official	jackieo@rvhdc.org

Note: NoA emailed to these address(es)

All submissions in response to conditions and reporting requirements (with the exception of the FFR) must be submitted via EHBs. Submissions for Federal Financial Reports (FFR) must be completed in the Payment Management System (<https://pms.psc.gov/>).
