RE: Credentialing/Privileging
Reappointment: Laura Bierly, PHDHP

Dear Ms. Myers,

It is my pleasure to recommend approval of the above referenced provider's request for reappointment and privileges to the staff based on the recommendation of the QA/QI Committee and the results of the credentialing verification process, which found suitable support for granting of her reappointment to the staff.

In addition, her request for practice privileges were also reviewed and found suitable for granting the delineation of privileges as requested.

Please do not hesitate to contact me with questions for further information.

Sincerely,

Matthew McLaughlin, COO
Acting Quality Chair
