RE: Credentialing/Privileging
Reappointment – Sabina Mushtaq, MD

Dear Ms. Wetherhold,

It is my pleasure to recommend approval of the above referenced provider's request for appointment to the staff based on the recommendation of the QA / QI Committee and the results of the credentialing verification process, which found suitable support for granting of her appointment to the staff.

In addition, her request for practice privileges was also reviewed and found suitable for continuing the privileges requested.

Please do not hesitate to contact me with questions or for further information.

Sincerely,

Dr. Kayla Richardson, Chief Medical Officer
Chairman
QA/QI Committee
