RE: Credentialing & Privileging:
Linda Davis, CRNP

Dear Dr. Boll:

On behalf of the QA/QI Committee, it is our pleasure to recommend approval of the referenced provider for reappointment to the medical staff based on the Committee's review of her applications and the results of the credentialing verification process.

In addition, her request for medical practice privileges was also reviewed and found suitable for granting the delineation of privileges as requested.

Please do not hesitate to contact me with questions or for further information.

Sincerely,

Kayla Richardson, M.D.
Chairman
QA/QI Committee
